Fire Destroys Parish Hall At Local Catholic Church

Flames of unknown origin destroyed the parish hall at St. Lucy's Catholic Church, Fourth Street at Rincon Avenue, Monday evening, completely levelling the one-story frame building and consuming its contents. The Rev. Denis Kennelly, pastor of St. Lucys, said the hall was a total loss and estimated damage at about $2,500.

Quick response to the alarm by Fire Chief Jack Scott and 17 fellow members of the Campbell Volunteer Fire Department was credited with preventing spread of flames to property immediately adjacent, including a garage only 10 feet from the burning hall, Fortunately, said Scott, "it was our regular monthly meeting night and 14 of the 25 members were on hand in the fire house playing pinochle after the meeting. The call came in at 10:20 p.m., and we had the fire under control by 10:30 and out by 11 p.m."

FLAMES ENVELOPED AREA

Althought cause of the blaze could not definitely be determined, due to almost total destruction of the hall, Scott said it could have been due to defective wiring. The fire began at the rear of the building and quickly enveloped the entire area in flames.

The historic little hall was the original Catholic chapel in Campbell built shortly after the first world war on the site of the present St. Lucy's Church. When work on the present church edifice was begun, the former chapel was moved to the rear of the property to make way for the larger building which was dedicated in 1929. When the parish was first established as a mission of St. Martin's, Burbank, the Rev. John McNally, now the Sunnyvale pastor, was its first priest.

Since dedication of the new St. Lucy's the small building has been used as a meeting place for various Campbell organizations. On the evening of the fire, the Civilian Air Patrol had held its meeting there and its members had departed about 10 or 15 minutes before the fire broke out. First reports identified the group as the Air Force Association which is commanded by Bernard Barrett, but it was later discovered that the AFA holds its meetings in San Jose on the fourth Thursday of each month.

BUILDING PLANS

There will be no arrangements for rebuilding the hall at the present church site, since four acres of land on Kennedy Avenue and Winchester Road were recently acquired by the parish for eventual use as the site for a new church and parish hall.

At a special meeting of the parishioners Wednesday nite in a second church hall, plans for the two-day church festival in August were discussed. Proceeds of this undertaking, sponsored by the parish groups including St. Lucy's Women's Club, Evening Guild, Men's Club and Youth Group, will be used toward the building fund. Budd Levenberg is chairman of the festival committee.

CHERRY PACKING TO START AT HUNT FOODS, INC. PLANT BY MONDAY, SAYS SILVA

The long heard-of rumor that cherries were to be packed in Campbell has finally come true. Last minute preparations were under way this week at Hunt Food's Inc. to start packing within the next few days, according to Frank Silva, superintendent. Royal Anne's will be packed as soon as enough local fruit ripens to warrant starting operations.

In the meantime brining of cherries has been going on for 10 days at the plant, Silva stated Tuesday, with Royal Anne cherries which have been coming in from the Stockton area. Brining is a process whereby the color is taken out in a solution of SO2 and the fruit is then packed in barrels to await the packing of fruit salads and fruit cocktail, at which time the cherries are pitted, stemmed and color added for maraschino cherries. The "sugar float" method of determining which cherries will be used for canning and which for the maraschino process will be used when packing operations start. Silva explained the method as the process in which cherries are run through a special solution. Those having a large sugar content sink to the bottom and are used for regular canning, and cherries which float on top are used for the maraschino process.

At present, 25 persons are being used on the brining process, with approximately 100 expected to be employed when regular packing starts. Packing operations are awaiting the ripening of local fruits.

This is the first time since 1918 that cherries have been canned in this community. During World War I the J. C. Ainsley, Corp., which originally owned the Hunt Food's plant, packed a few cherries, but after the plant was sold to the Drew Canning company, cherry packing was omitted from the packing schedule.

Hiring for cherry packing will be done on a basis of seniority according to Silva.

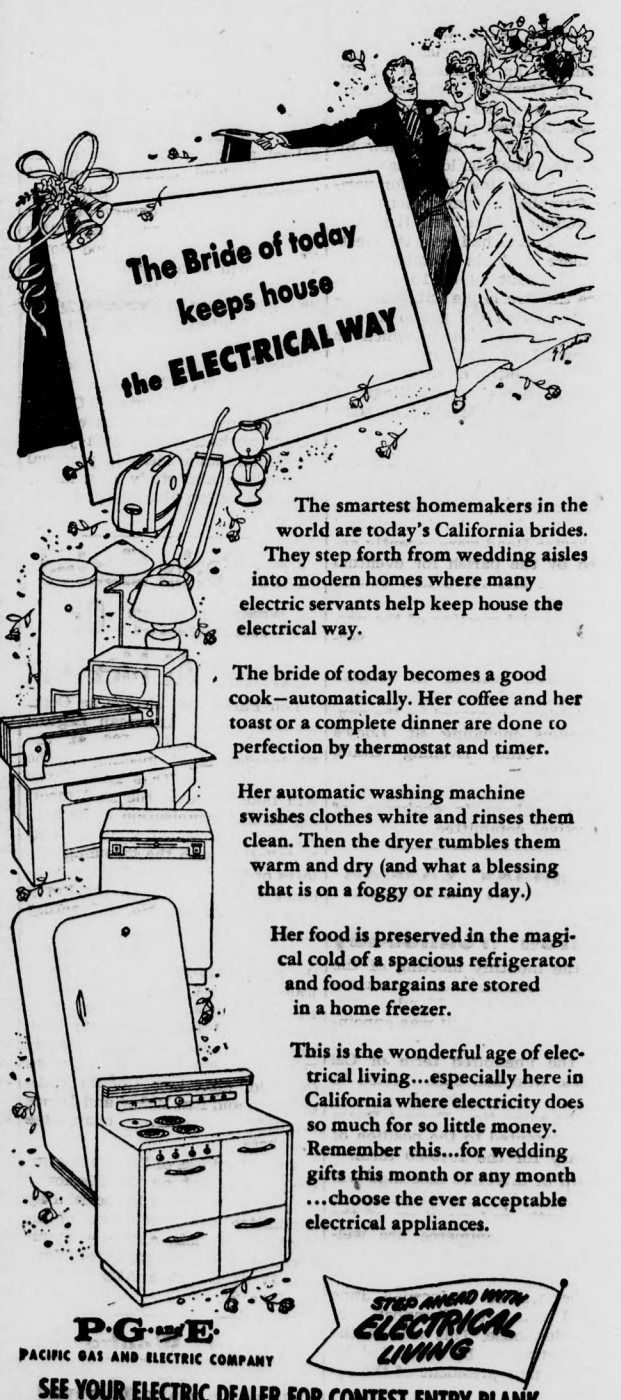
Glamour Gifts for

IT'S SMARTER TO BUY IN CAMPBELL AT
RACHEL'S



The smartest homemakers in the world are today's California brides. They step forth from wedding aisles into modern homes where many electric servants help keep house the electrical way.

The bride of today becomes a good cook—automatically. Her coffee and her toast or a complete dinner are done to perfection by thermostat and timer.

Her automatic washing machine swishes clothes white and rinses them clean. Then the dryer tumbles them warm and dry (and what a blessing that is on a foggy or rainy day.)

Her food is preserved in the magical cold of a spacious refrigerator and food bargains are stored in a home freezer.

This is the wonderful age of electrical living...especially here in California where electricity does so much for so little money. Remember this...for wedding gifts this month or any month ...choose the ever acceptable electrical appliances.

Ada Rebekah Lodge Plans Installation Of New Staff Officers Next Month

Reba Chappel will take office July 5 as noble grand of Ada Rebekah Lodge, when the new staff is installed at impressive rites. She was elected to the position at the lodge meeting June 7 in the Campbell IOOF Hall, when Leila Merritt, present noble grand, presided at the election meeting.

Other officers to be installed next month will be Naomi Farley, vice grand; Madge Wyse, financial secretary, and Helen Rice, trustee.

During the business meeting, members discussed the Business and Professional Women's Club lighting project for the Campbell Grammar School grounds, and the lodge started a lighting fund with the first donation coming from the Stitching Club.

Members were urged to attend the Rose Resnick piano concert in the Campbell High School auditorium June 24.

Jessie Silberbauer, president of the Stitching Club, announced a card party and bazaar for next Wednesday, June 15, at 2:15 p.m. in the IOOF Hall.

Honored guests for the evening were the District noble and vice grands. Noble grands in attendance were Ruby Davis of Stella lodge, Helen Schoner of San Jose No. 87, Frances Tremain of Santa Clara, Helen Popovich of Sunnyvale, Marian Rogers of Saratoga, Dorothy Luepke of Los Gatos and Anne Winn of Josephine.

Vice grands were Elizabeth Fecht of Cupertino, Elsie Hodgson of Los Gatos, Genevieve Peer of Sunnyvale, Norine Church of San Jose 87 and Jeanne Bryant of Santa Clara.

Past noble grands formed the committee for the evening. The hall was attractively decorated with colorful arrangements of summer flowers, and the flower motif was repeated in the banquet room where refreshments were served.

Virginia Currie is committee chairman for the next meeting, June 21, which will be the birthday party.

Garden Clubbers To Hold Pot Luck June 15

Members of the Campbell Garden Club will hold a potluck supper with their families at the home of Mrs. Felix Bersano on Harriet avenue, June 15 at 6:30 p.m. All members are urged to attend.

Garden club members were recently the recipients of 10 dozen peonies of different varieties from the Wild's Peony Gardens, Sarcoxie, Missouri, which were sent as a compliment to Mrs. Harold Peck, founder of the Campbell Garden Club. The beautiful flowers were divided among the members, who were delighted with the lovely gift.

Mrs. Harold Peck Guest At Famed Peony Gardens

Mrs. Harold Peck of 141 N. First street returned Sunday evening from a five-weeks vacation which she spent visiting with friends and relatives in Kansas, Missouri, and Oklahoma. During her visit back east she visited the Wild's Peony Gardens at Sarcoxie, Missouri, the largest peony gardens in the world, and there saw 135 acres of peonies in bloom at one time.

Mrs. Peck was a guest of Gilbert H. Wild and son, who operate the Wild's Garden, and as a gift to Mrs. Peck, they graciously shipped 10 dozen beautiful peonies to the Campbell Garden Club. Mrs. Peck stated that on September 21 she will have the color film of the Wild's Gardens in bloom, and will show it to the public in order that everyone may see the exotic array of colors. Wild's also grow day lilies, iris and daffodils.

Scholarship Awards Program Is Inaugurated At Campbell High By PTA and Kiwanis Groups

Four scholarships will be awarded to outstanding students at Campbell High School graduation exercises next week, marking the first such awards in the school's history. Three $100 scholarships, sponsored by the high school's Parent-Teacher Association, and a $50 scholarship given by the Campbell Kiwanis Club will be presented.

Names of students selected for the honors were announced yesterday afternoon as follows: Ruth Johnson, Kiwanis scholarship; Barbara Amori, Jeanette Gomes and Daniel Knowles, PTA scholarships.

The awards are based on educational aim, participation in school and community activities and general good citizenship. Funds for the PTA awards were raised through individual donations, a cake sale, a PTA-sponsored hot dog booth at the Old Settlers' Day carnival, a card party and a dinner. Mrs. W. F. Knowles, Mr. and Mrs. John Cantonni, Mr. and Mrs. G. K. Schrader and Mr. and Mrs. Laurance J. Hill formed the PTA's fund-raising committee.

SCHOLARSHIP COMMITTEES

Final selection of PTA scholarship recipients was made by a committee composed of Mrs. George Robertson, Mr. and Mrs. Hill, Mr. and Mrs. Schrader, Mr. and Mrs. Cantonni, Miss Janet McGovney and Miss Helen Nielsen.

The Kiwanis committee included William Means, Carl Field and Mr. Hill.

Kiwanis winner, Ruth Johnson, daughter of Mr. and Mrs. H. R. Johnson of San Jose, served as assistant editor of the Campus Echo, secretary of the senior class and vice president of the student body. She attended Girls' State last year, served on the student council, and is a member of the California Scholarship Federation. She plans to enter Stanford University where she will major in the field of psychology.

Barbara Amori is the daughter of Mr. and Mrs A. F. Amori of San Jose. At Campbell High she has been commissioner of records, commissioner of scholarship, secretary of the California Scholarship Federation, and president of a Tri-Y group. Her college will be San Jose State where she will work toward a teaching certificate in either chemistry or biology.

Jeanette Gomes, daughter of Mr. and Mrs. Joseph Gomes of Campbell, was student manager at Campbell High, commissioner of music and scholarship and president of the sophomore class. At San Jose State College she will major in general elementary school teaching.

Daniel Knowles' parents are Mr. and Mrs. J. W. Knowles of Rinson Avenue, Campbell. He was editor of the Campus Echo, commissioner of finance, vice-president of the California Scholarship Federation chapter and a member of the school tennis team. He will major in music at San Jose State College in preparation for a career as a music teacher.

PTA committee members said the scholarship awards will become an annual event, and it is hoped that the fund can be built up to support an annual awards total of $1000. The ice cream bar recently installed at the high school is operated by the CSF chapter of the school, and receipts from this concession will go toward next year's scholarship fund.

Marvel's Juvenile Shop To Open Here June 25

Marvel's Juvenile Shop is the latest addition to the Virginia City Shopping Center in Campbell, with the new shop taking over the store left vacant by the removal of Helen's Juvenile Shop to her new and larger quarters at 156 Campbell avenue.

The new store, which will be operated by Mrs. Marvel Neyses, is scheduled to hold its grand opening on June 25. Mrs Neyses will have in stock a complete line of childrens clothes, from infants to teen-agers. Mrs. Neyses comes here from Salinas where she operated Marvel's Juvenile Shop in the Alisal district for six years. She has had a long and varied experience in the selling line, including several years with Capwells in Oakland, and Ruby's Apparel Shop in Chico.

Her husband, Jack Neyses, who is connected with the Monterey County Health Department as a sanitary inspector, is an active member in the American Legion and the Youth Council of Alisal district, while Mrs. Neyses is an active PTA member.

They have one son, Bruce, who will attend Campbell grammar school with the opening of the fall term.

Neyses stated that Campbell had been chosen as the location for the new shop for its ideal climatic conditions in the midst of a growing community.

George Baldwin Feted On His 85th Birthday

Guests were Mr. and Mrs. L. R. Austin and Mrs. Luella Whitney.

It is fitting that Mr. Baldwin observe the centennial year for California, as he was born eighty-five years ago at Georgetown, just six miles from the spot where John Marshal discovered gold. Mrs. Austin, too, is a native of California.

This Saturday there will be a holdover birthday dinner, when the sons and their families from Oakland will come to Campbell to help their father celebrate his eighty-five years.

Mrs. Hollis Logue of Campbell has been elected president of the newly formed Peninsula chapter of the Women's Architectural League. Officers of the new group were announced last week by Mrs. Bolton White, president of the San Francisco Chapter. Officers who will serve with Mrs. Logue are Mrs. William Hempel, Menlo Park, vice-president, and Mrs. Lawrence Gentry, Los Altos, secretary-treasurer.

Francis Wildman Named Assistant Corps Commander

Appointment of Francis Marion Wildman as assistant commandant of Campbell Union High schools' unit of the California Cadet Corps, with the relative rank of second lieutenant in the California National Guard, was announced this week by Cadet Corps headquarters at Sacramento.

Appointments to positions with the Cadet Corps are based on actual experience. The Campbell high school unit numbers 65 cadets in its two companies, and has a battalion headquarters.

Mr. Wildman, San Jose State college graduate, now completing his student teaching requirement this semester in the high school's art department, was recommended for the cadet corps post by the commandant, Lieutenant Colonel N. Warren Sheldon and Laurance J. Hill, school principal and district superintendent. Mr. Wildman will be one of three State college men who will receive regular commissions as second lieutenants in the airforce during ceremonies today at San Jose State when the first ROTC class in the history of the college will be graduated. 38 cadets will be given reserve commissions.

Three Services Experience

Seven years and seven months of service in the Marine Corps, Navy and association with the Army through Civilian Military Training Camp constitute the assistant commandant's pre-college experience. He was graduated from State in March, and will receive his A.B. degree in art at commencement exercises next week. Wildman has already received his special secondary credential in military science and will be awarded the special secondary credential in art.

He is awaiting orders to pilot training, following graduation and commissioning, and expects to be sent to San Antonio, Texas, to begin the preparation for his airforce career. His preparation for teaching will serve him in good stead when his active flying career must eventually be modified. Wildman will be in line for retirement, if he chooses, after about 14 years of service. He may, at that time, retire and take up teaching, preferably leathercraft and ROTC.

Wildman's parents live in Redwood City, and his brother, J. Savage Wildman, is a junior commercial art major at State.

ALL STATES PICNIC

SUCCESSFUL CARNIVAL SATURDAY IN SAN TOMAS CLEARS ABOUT $600;

Friends and neighbors turned out in full force Saturday afternoon at the San Tomas school playground to support the San Tomas Men's Club's gay carnival venture aimed at raising funds to purchase equipment for children of the school.

Booths and game sections did a steady business during the carnival hours from 4 p.m. to 11 p.m., and William Shuey, San Tomas school principal, believes the affair cleared about $600. Cecil Rose was chairman of the successful festival which attracted well over 1000 patrons of all ages.

Chairman Rose and his large committee of assistants and volunteer aides, expressed deep appreciation for the fine response of parents and children who turned out for the occasion, to all those who turned a willing hand in carrying out the plans and to the merchants for their generous donations in behalf of the community and the school.

There were games and prizes for adults and children; an archery division under the direcetion of Mrs. Gene Standish; dancing in the evening; souvenir photographs made by Jeanette Witte, adult photography teacher at San Tomas night school; a prize hand made quilt donated by the Smith Avenue Sewing Circle and many another booth and special event.

The public address system was handled by Steve Ridgely, president of the San Tomas Improvement Club. Volunteer firemen of the district took over the job of erecting the booths, and the new Drum and Bugle Corps from the school, provided concerts at 6 and 8 o'clock. Groups in San Tomas and Campbell cooperated fully in the preliminary work and support of the occasion on the big day.

Rose complimented San Tomas and Campbell area residents for their genuine interest in making it a real community family carnival.

Moreland School To Graduate 14

Moreland Grammar school will graduate a class of 14 at commencement exercises to be held Thursday evening, June 16 in the Moreland clubhouse. The program will begin at 8 p.m. Parents and friends of the school are invited to attend.

Eighth grade teacher Ralph Brown will present the diplomas to the graduating class which includes Dick Abernathy, Larrie Dastrup, Frank Garcia, Robert Hazleton, Glen Stephens, Elmer Lane, Manuel Correa, Louyeta Epperson, Marion Harp, Rosie Macias, Haruko Ogata, Dois McCracken, Virginia Correa and Frances Valdez.

Three musical selections will be sung by the school glee club, and Marion Harp, member of the graduating class, will play a flute solo. A poem, "We are Americans" will be recited by the graduating pupils as a verse choir.

Doris McCracken will give the address of welcome. The school orchestra, under the direction of Mrs. Eoline Knighton of Cupertino, will play during the program.

Principal speaker for the commencement program will be Mr. Floyd Greenleaf, associate professor in the speech department at San Jose State College and scoutmaster of Moreland Boy Scout Troop 36. Mr. Greenleaf's subject will be "Who Said It?" The speaker is a graduate of Syracuse University where he received his A.B. degree. He holds a master's degree from Iowa State college. Mrs. Gussie Baker, Moreland's principal, will introduce the speaker.

The outstanding boy and girl in the graduating class, selected by vote of their fellow classmates and the faculty, will receive the annual American Legion award medals and certificates from Mr. Alvin R. Carter, past commander of Campbell American Legion Post 596. These awards are based on the scholarship, character development and good citizenship exhibited by the award recipients. Names of the students to be so honored are not revealed until time of award presentation.

Moorpark School Sixth Grade Class Picnics Today

Some 60 members of the outgoing sixth grade classes at Moorpark School will take part in games, skits, hikes and swimming events during their class party today at Alum Rock park. The picnic is sponsored by the Parent-Teacher Association.

Program arrangements were made by eighth grade teachers Mrs. Berle Houghtaling and Mr. Neal Royer, and a committee of six of the students 'mothers: Mesdames M. E. Graham, E. Merritt, Howard E. Womer, C. C. Scarborough, Allan McEwin and H. F. Rose.

Thrill Circus Top Spot For Speedway Races

Still another triple program of thrills awaits racing fans at the San Jose Speedway this weekend.

The regular action-packed roadster and midget races on Friday and Sunday nights this week will be augmented by the "Circus of Thrills," a high speed program of auto stunt driving on Saturday night at 8:15 p.m.

Among the stunts to be included in the two-hour program will be a car-jump of nearly 100 feet through the air, car rolling and other such acts calculated to boom the auto-wrecking business.

Promoted by stunt-driver Ken Baker of Burbank, the "Circus of Thrills" features such pilots as Dave Arnold, Leo Schultz, and Dan Seward and aerialist "Mary Lou."

Relieving the tableau of flames, skids and twisted metal will be the three clowns, "Rigger Mortes," "Little Bozo" and "Koko." "Koko" and "Little Bozo" are veterans of circuses and have made appearances throughout the United States.

Bob "Barky" Barkhimer, manager of the San Jose Speedway, reports that the show has just completed a successful run at Balboa Park in San Diego.

Feminine racing enthusiasts will be happy to learn that Sunday's midget program will be "ladies' night." The lassies, God bless 'em, will be admitted for just the payment of a 25-cent federal tax.

The see-saw battle for hot rod honor continued at the Speedway last Friday night between Sam Hawks, George Hubbard, Dave Carter and George Pacheco. When the smoke had cleared, however, Pacheco was definitely THE man of the night. George merely won three events, topping off the evening with a convincing triumph in the 25-lap main event. Earlier in the evening, Carter won the trophy dash. Record-shattering continued at the Speedway as Bob Veith won the semi-main of 15 laps in 4:32.05.

Midget racing at the Speedway appears to be going in cycles with respect to top drivers. In the first few weeks of the season, Woody Brown was the man to beat as he won race after race. It appears, however, that Woody is being unceremoniously booted out of his top roose. Coming up fast after a slow start this year is Jerry Piper who was snapping at Fred Agabashian's heels for the midget crown last year when a nasty accident spoiled his plans.

Orville Johns Gets Watchmakers Certificate

Orville Johns, of Johns Jewelry, has just been awarded the Certified Master's Watchmakers Certificate No. 856 by the Horological Institute of America.

In order to obtain the certificate, it was necessary to first have at least five years at the watch repairing bench, after which he sent a lady's watch and a pocket watch to the National Bureau of Standards which put the watches out of order and returned them to John to repair. It was necessary that he repair the watches so that the lady's watch would not lose more than 90 seconds a 24 hour day when in three different positions, and the pocket watch could not lose more than 15 seconds in a 24 hour period in five positions. These watches were then returned to the National Bureau of Standards which checked the repair jobs for accuracy.

Johns encountered a lot of hard luck in his quest for the certificate when it came to the watch repairing test. The first time he tried the exam, the man's pocket watch was stolen. The second time found both watches damaged in transit when being returned to the Bureau, but the third try found both watches accurate and satisfactory.

The third part of the examination included the making of a jewel plate and balance staff according to specifications and blue prints furnished by the Horological Institute and then the passing of a written test. Johns passed all examinations successfully, and now is the proud owner of the certification of the Certified Masters Watchmakers. John also holds a Bachelor of Science Degree from the University of California at Los Angeles and attended the Elgin Watchmakers College in Elgin, Illinois.
